Manager of Newark Eagles,
Newark, New Jersey.

Dear Sir:

I suggest it would be a good idea if you would play the Homestead Grays in Greensboro, N.C. That is if you can't get the Park in Winston. I heard but don't know how true it is you and the Black Yankees had a full park here but in Greensboro you will have two to one more fans. They don't have a white team in Greensboro, and just as many white would turn out as colored. I live in Greensboro oft and on. If you are interested please take my suggestion under consideration. I would like to have the honor of advertising there for you. I know the main sections to advertise is practically 60% of the baseball fans. Answer at once. I wrote to the Homestead Grays' manager. Same date I am writing to you.

Yours truly,
Weldon F. Fisk
